Dear Parent/Caregiver,

As part of the Spanish program, the school has subscribed to an online language-learning website called Languagenut. This website will support your child's learning of the Spanish language at home learning policy.
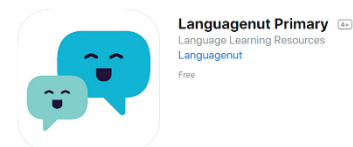

To access the website, enter your child's username and password on:

https://resources.languagenut.com/resources/#/LoginScreen

Or download the app
(N.B. this app is only available on the App Store for iOS devices)

Languagenut is available at home to support your child's learning in class. During Spanish lessons, the teacher will sometimes set some tasks as homework with a given date to be completed. Your child's results and progress will be directly reported to the Spanish teacher online.

For any further queries about logins or to report any technical issues, please do not hesitate to contact us.

*Thank you for your support and happy Languagenut surfing.*
