Camp At School With Dad is a Yeronga State School Chaplaincy event overseen by STU Queensland.

It is an alcohol-free event.

While measures are in place to provide a safe and fun environment for the duration of the camp, it is expected that each parent is responsible for their own safety, and that of their own children, and their own belongings. It is also important to consider and respect other participants in this camp to ensure that everyone has a safe and enjoyable time together.
