

French Immersion Program

29 Years of Academic Excellence

This selective program is conducted from Year 7 to Year 10 at Mansfield State High School. Mathematics, Science, Humanities, HPE and French are studied in French. Classes, workbooks, homework and exams are in French.

No previous French?

- Most Immersion students have never done French before.
- An intensive French course starts the program and prepares students effectively to cope in the French Immersion classroom.

Why study in the French Immersion Program?

- It provides an opportunity to reach a very high level of proficiency in a widely used second language.
- The selection process ensures a top quality class full of bright, enthusiastic students.
- A challenging curriculum designed to extend students.
- French Immersion leads on to Senior French and/or Advanced French in Year 12. Studying Senior French and Advanced French can count for six semester units. Additionally, by completing a language, students may be able to earn up to two bonus ranks towards university admission.

How much does it cost?

- Students pay the usual subject charges (plus extra costs for resources produced in French in lieu of textbooks).

How do I register my interest in the program?

- Attend the 'Programs of Excellence' Information Evening – French Immersion Program on Wednesday 20 March 7.10pm to 8pm in the Mansfield SHS Hall.
- Attend one of the two open days, on Thursday 28 February or Friday 15 March, at Mansfield SHS.
- Prioritise French Immersion as your first preference on the expression of interest form.
- Students applying for French Immersion may be in-catchment or out-of-catchment.
 - **Applications close on Friday 26 April 2019**
